How to report

The only method of reporting is electronically, through our website. The required format is .txt. CDs/DVDs and emailed reports are no longer accepted, nor do we accept HDE-formatted files. You can upload your report or manually create a report by going directly to <https://wyoming.findyourunclaimedproperty.com/app/submit-a-report> or by visiting www.mycash.wyo.gov and then navigating through “reporting unclaimed property” options. **Please note – Wyoming does not accept negative reports.**

Making payment

If you have already submitted your report but did not make payment at that time, you have two options to make payment:

1. Mail a check (along with a copy of our confirmation page containing FEIN information) to:

Wyoming State Treasurer’s Office
Unclaimed Property Division
122 W. 25th St., Ste. E300
Cheyenne, WY 82002

Note: Checks should be made payable to Wyoming State Treasurer’s Office

2. Make an ACH payment:

<https://wyoming.findyourunclaimedproperty.com/app/holder/payment/search>

You will need to submit your company Tax ID/FEIN number and then select the report you are wanting to make payment for.

For those who need to tie an ACH payment with a company ID, the State Treasurer’s ID number is 1204981966.

Note: ACH payments can only be made for each individual report. Those making multiple reports and wanting to make a single payment will need to submit a check along with a copy of each confirmation page.
